Front LED Clock

The integrated LED clock has an array of alarm functions that are useful for guests, yet introduces cost savings for hoteliers- no need to supply a separate alarm clock.

Lock Mode

Lock Mode can make TV to be blocked from external input signals for illegal communication in such areas; Prison, Mental hospital and any applicable public spaces.

Swivel Stand

The Swivel stand allows guests to watch TV virtually at any direction as it can be rotated 90 degrees in both directions. Just rotate the TV to your direction to watch TV comfortably.
